

State of Nevada employees rather than doing their ASSIGNED jobs and working, are in fact spending time trolling on the internet.

No wonder nothing is ever done in this State.

We pay your salaries and at the over inflated annual compensation you are receiving, we are DEMANDING that you DO YOUR ASSIGNED JOBS!

Based on what pages were accessed, one can 'speculate' that these logins came from the PUC.

THIS IS WHAT TRANSPARENCY in government is all ABOUT!

Do you ACTUALLY think that web pages change this many times in ONE DAY?
