Contested hearings of the PUCN are not subject to NRS Chapter 241. Accordingly, I noted that Commissioner Noble' s decision does not affect your ability to video the agenda meetings which are subject to NRS Chapter 241.

Subject: Video taping of docket hearings

Ms. De Fazio:

Please be advised that Commissioner Noble will no longer allow video-taping by the public of his docket hearings. This includes the IRP docket and net metering docket hearings coming up. You may continue to videotape agenda meetings to the extent that they are not disruptive. Thank you.
