Yes, I KNOW the files aren't available, as its your way to skirting transparency, by having people find out on their own that there are audio files like with the utility agenda meetings, which under 'transparency' you broadcast and have the audio files posted on the related utility agenda meeting pages.

I'll have Fred pick it up, get a receipt for this huge amount and will be pleased to post this email to show the TRANSPARENCY of the PUC, that since they won't post the audio files or even let the public know, that they are so DESPERATE for the \$1.00 they won't waive it.

No wonder there is a such a need for the PUC Watchdogs website!

As you are aware, Administrative Agenda audio files are not available on our website. Accordingly, the audio file has been placed on CD since it is too large to email to you. We can mail the CD and you may receive an invoice for the amount of the CD and postage (\$1.47). Another option is to pick up the CD and pay the fee for the amount of the CD (\$1.00) at that time. Please let me know which option you prefer. Thank you.

I did send an email yesterday, requesting that the audio be placed on the agenda meeting site, that no response was received regarding this.

So do you want me to have Fred pick up the cd and give you the 1.00 or not, its not clear in your email.

Ms. De Fazio,

The CD containing the audio file for Administrative Agenda A04-12 has been mailed to the address provided in your request below. There is a charge for the cost of the CD (\$1.00) and the postage for mailing (\$0.47). However, as outlined on the Fees for Public Records form, any accumulated costs for copies, excluding court reporter fees, under \$10.00 per fiscal year may be waived by the Commission. Thank you.

Better idea, upload it to that agenda on your website, so others can access it?
